

Find Your Why Worksheet

Most people think podcasting starts with gear. It starts with deciding why you're actually doing this. Fill this in before you touch anything else.

The Two Answers

Surface reason (the one you'd say out loud to a stranger):

Honest reason (what you actually care about exploring or saying):

The Anchor Sentence

I'm creating this podcast because...

What People Leave With

When someone finishes an episode of my show, I want them to leave with:

☐ A thought ☐ A feeling ☐ A question ☐ Something else: _____

In one sentence, what is that thing?

The Clarity Test

Finish this: my podcast is for people who

and it's not for people who

If a stranger read your show description right now, would they know in 5 seconds whether it's for them?

☐ Yes ☐ Not yet
