

Launch Day Checklist

The one place a literal checklist actually fits. Work through this before you go public.

☐	3-5 episodes recorded and edited
☐	Episode descriptions written
☐	Cover artwork uploaded (simple, high-contrast, readable as a thumbnail)
☐	Trailer recorded and published
☐	Instagram profile set up (name, bio, mission sentence, one link)
☐	Link in bio working and tested
☐	Shared with friends/early supporters before going fully public
☐	First 3-5 clips drafted and scheduled
☐	Spotify for Podcasters profile complete
☐	YouTube channel set up, first episode uploaded in 4K
